

Heavy Duty, Made Portable

Ideal for business travel and creative professionals in need of speedy data transfer and more room to grow.

Features

High Capacity

Store up to 2TB of data - that's 500,000 songs, 400,000 digital photos, or up to 240 High-Definition Videos in one sleek external hard drive.

Fast Connection

Comes equipped with a super-fast eSATA interface, at least three times the speed of USB 2.0 and FireWire 400. Also includes standard USB and FireWire ports.

It's Cooler

It's a fusion of lightweight, thermal-efficient aluminum material and clever design.

Silence You Can Hear

Made with Passive Heat-Sink technology - no fans necessary.

Built for Professional Studios and General Backup

Supports high quality formats such as DV, HDV, ProRes, and DVCPRO HD. Perfect for Time Machine backups and heavy-duty file transfers.

Specifications

Choose From 3 Different Models
