

iStoragePro™ iR8 6G SAS Expander

with LCD Display Module & System Configuration Panel | Technical Specifications - Version 1.2

It's Time to Upgrade to 6G Technology

The iStoragePro iR8 6G SAS Expander has all the features you enjoyed from the iR8 SAS Expander and more. This unit is a rackmount-style enclosure sporting a smooth, modern design that complements any rackmount data center in style. **Through the process of Daisy Chaining, you can connect up to a total of 16 enclosures to reach a maximum capacity of 384TB of storage.¹**

Features

High Capacity

Store up to 24TB of data per unit.

Daisy Chain Technology

Expand your configuration up to 16 units total, totaling 128 hard disk drives.¹

RAID Protection

Supports RAID levels 0, 1, 5, 6, and 10 or JBOD configuration.²

Silence You Can Hear

Silent Fan Technology that cuts down the noise level - ideal for studio environments.

Rackmount Design

Made for easy storage in standard rackmount cabinets - the perfect complement to any data, server-storage, or mobile rack environment.

Built to Support Advanced Video Formats

Such as DV, HDV, ProRes 422, DVCPRO HD, HD 8-bit & 10-bit uncompressed, and much more.

Specifications

Optimal Performance with 6Gb/s Technology

Requires 6Gb/s SAS/SATA drives for maximum optimal performance.

Hard Disk Drives (HDDs)

Store up to eight 3.5" HDDs. Choose from 500GB, 1TB, 2TB, and 3TB hot-swappable drives.

External Host Interface

6Gb/s, 1 MiniSAS Host Port, 2 MiniSAS Expander Ports.

Compatible with Standard Operating Systems

Mac OSX, Windows, Linux.

Warranty

Standard 3-Year Limited Factory Warranty.

¹ Actual figures may vary by configuration. Please refer to RAID Controller Card specifications.

² RAID Controller Card required.
