- Supports 3.5" SATA II drives
- Heat sink and cooling fan to ensure data integrity and reliability
- Universal AC power adapter
- Unique Design: Aluminum finished enclosure
- MAC OS X, Windows Vista/XP (Windows XP limited to 2 TB)
- 3 Year Limited Warranty

## Product Overview

The iStoragePro Dock View RAID drive is the perfect storage solution for traveling business people: portable and stylish for today's lifestyle. The Dock View is equipped with a quad interface, offering simple connectivity by providing USB 2.0, FireWire 400, FireWire800 and eSATA ports in a single unit. This efficient interface simplifies setup and is cost effective without compromising performance & protection. The drive can write at speeds up to 80 MB/sec. This is one of the coolest and sleekest creative media storage solutions of the 21st century.

## Audio / Video Application

The iStoragePro Dock View RAID drive is designed with a finished aluminum enclosure and is equipped with a studio-style low noise fan module to ensure data integrity, reliability and to reduce noise interference. The Dock View is a perfect tower storage device that allows users to backup any file type, including personal data, music MP3s, high-resolution video, digital photos and Apple Time Machine system backup application. The Dock View can operate anywhere in the world with easy connection to your host computer via USB, FireWire or an eSATA interface.
